## **SUPERVISOR BIDDLE PRAISES CONGRESSWOMAN MOORE'S LEADERSHIP, SUPPORTS AMERICAN JOBS ACT**

**Milwaukee, WI** – Milwaukee County Supervisor Eyon Biddle, Sr., proudly attended a press conference this morning, hosted by Congresswoman Gwen Moore of Wisconsin, to support President Barack Obama's American Jobs Act.

Supervisor Biddle is thanking Congresswoman Moore for her leadership on behalf of Milwaukee County residents.

“There is no doubt that Congresswoman Moore is the queen of Milwaukee. She has worked tirelessly for decades to advance our community and is the standard bearer for elected officials,” Supervisor Biddle said. “I’m excited to support the American Jobs Act, along with the Biddle-Lipscomb Ready to Work initiative, to bring thousands of jobs to Metropolitan Milwaukee.”

Last week, Supervisor Biddle, along with Supervisor Theodore Lipscomb and others, publicly announced the Biddle-Lipscomb Ready to Work initiative, which aims to provide training and real-world careers for as many as 1,000 Milwaukee County residents.
